

TWINNING NEWSLETTER March

AGM dinner March 26th

6.45 for 7pm. The Brace

Please send Jo numbers. Meeting first, supper @ 7.45pm.

If you don't eat a lot, why not stay but have something like soup or pudding? We pay for our own food. Order before the meeting, which is so important because we have 14 Longuevillais coming over, from September 10th – 13th. Can you host? Can you help? Do you have ideas for outings or meals? !

A very big thank you to Ann, Sue & Paul for organising the superb quiz on February 26th. The Twins round was genius and the cheese trays were beautiful. We badly need funds for the September Visit and they galloped to the rescue! **Huge thanks too to all of you** who came to the quiz and supported the Twinning.

Here's a list of the Longuevillais coming over in September – no change so far.

Patrick et Valérie NIOBEY
Christian et Françoise BEAUQUET
Jean et Noëlle QUERE
Gilles et Marie Jo GUILLEMOT
Anne et François JORAM
Jean-François CHAPELIERE
Michel et Annick VIGOT

*Michel has written with news about their awful weather! He and Annick send their *amitiés* to all Twinners. Michel has asked for names of all our members..... my guess (*ed*) is that everyone will receive a small gift in September, but it is purely a guess!

*Jacqueline Laforêt thanks us all for our sympathy card when Jacques died recently. Jacques and Jacqueline were constant twinners until Jacques became ill a few years ago. They were very good company and great fun. *Noelle & Jean are in Guadeloupe for 2 or 3 months for family and sunshine.*
